May 11, 2026

-First results from CORE-008 Cohort CX Phase 2 Trial evaluating intravesical combination therapy in High-Risk BCG-Exposed and BCG-Unresponsive patients to be presented-

-Visit CG Oncology at booth #3051-

DALLAS, May 11, 2026 (GLOBE NEWSWIRE) -- CG Oncology, Inc. (NASDAQ: CGON) today announced its participation in the American Urological Association (AUA) 2026 Annual Meeting, taking place May 15–18, 2026, in Washington, D.C. CG Oncology will present first results from CORE-008 Cohort CX Phase 2 Trial evaluating intravesical combination therapy in High-Risk BCG-Exposed and BCG-Unresponsive patients and will be exhibiting at booth #3051. The AUA Annual Meeting is the largest global gathering of urologists and urologic professionals, showcasing the latest advances in urologic medicine, clinical research and patient care.

First Results from CORE-008 Cohort CX
Title: *Phase 2 Study of Intravesical Cretostimogene Grenadenorepvec with Gemcitabine in Patients with High-Risk BCG-Exposed or BCG-Unresponsive Non-Muscle Invasive Bladder Cancer*

- **Poster Presentation** May 15, 2026, 3:30 – 5:30 PM ET
- **Podium Presentation at the SUO 2026 Annual Meeting at the AUA** May 16, 2026, 4:25–4:30 PM ET

Additionally, the grant recipients of the annual **CG-SUO-CTC NMIBC Research Fellowship** will present their research at the SUO 2026 Annual Meeting at the AUA. This Fellowship is designed to support the development of outstanding clinical cancer research investigators who have demonstrated a commitment to improving the understanding and treatment of Non-Muscle Invasive Bladder Cancer (NMIBC). Details of the presentations are below:

- **Grant Recipient Taylor A. Goodstein, MD Presents: Spatial Transcriptomic Profiling of the Tumor Microenvironment in BCG-Unresponsive NMIBC Patients Treated with Novel Intravesical Gene Therapies**
  May 16, 4:45 PM-4:50 PM ET

- **Grant Recipient Saum B. Ghodoussipour, MD Presents : Dynamic intra-tumor heterogeneity in non-muscle invasive bladder cancer**
  May 16, 4:50 PM-4:55 PM ET

Attendees of AUA 2026 are encouraged to visit CG Oncology at booth #3051 to learn more about the company's clinical development program and its commitment to advancing innovative therapies for patients with bladder cancer.
